

MY LIFE EXPERIENCES

Growing up in Brasil, India and Africa

Orphanage in Ghana

2011

Every week, after school, I would go to the outskirts and spend the afternoon with the kids there.

Debating & Campaigns

2017 & '19

- Best delegate awards at Model UN conferences (at KCL & Imperial)
- A No-confidence referendum was called by students at my university
- I was a campaign lead, and liased with the CFO & the Head of Strategy
- Debated British Army Officers on Saudi Arabia topic at University event

Debating UK Army Officers (2019)

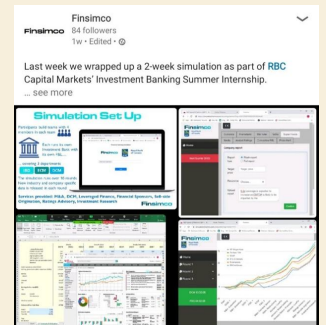

Referendum Debate Stage (2019)

Presenting at BCG London (2019)

Univ. Investment Banking Event (2019)

Training RBC's interns (2020)

Hackathons

2018-19

- Three awards from 6 hackathons, leading multidisciplinary teams
- Covering sectors such as O&G, Finance, Travel, etc
- I'd often present our team's final product to SVPs and industry experts (from GS, BCG, Accenture, Airbus, etc)

Growing a startup

Finsimco

Oct. 2019-20

- Joined at prototype stage, left when first client completed
- Organised events at LSE and transitioned product to be fully online
- Discussed Go-to-market strategy, branding, logistics and grants
- Hired and onboarded an intern
- Worked on sales & biz-dev alongside the founder

Army Cadet Force

2016

Leading a platoon of 20 cadets and training junior NCOs.

Summer Intern

Summers 2018 & '19

- Defence company - R&D within manufacturing
- Tech startup - Data analysis to find market opportunities

Foreign Policy Exploration

2019

- Won scholarship to meet with directors of IMF, World Bank, think-tanks, etc
- Invitation to an exclusive MENA forum with +50 heads of state, ministers, CEOs, etc attending

Relaunching Societies

2017 and 2020

- *Start of my first year:* I joined the Judo committee - members up from 6 to 25
- *Third year:* Finance society - organised talks, reached the semifinals at a UK uni's competition and rebuilt the community with a 160 person dinner
